Launch of MRI facility

August 20 marked a major milestone for the Global Hospital & Research Centre trust. The Dadi Prakashmani MRI Centre at the Radha Mohan Mehrotra Global Hospital Trauma Centre was thrown open for the service of the community. This is district Sirohi's first (and only) MRI facility. Indian Oil (Aarogyam), THDC Limited (SEWA THDC), Point of Life Inc (USA) and the Brahma Kumaris worldwide centres majorly contributed towards the cost of the Siemens Magnetom Altea 1.5T MRI machine. With a tag of Rs 9.4 crore, the MRI is the most expensive equipment the trust has ever purchased. The contributions from Indian Oil Limited and THDC Limited are the highest Corporate Social Responsibility donations ever received.

MP Jalore Sirohi Devji bhai Patel at the inauguration

This MRI will serve district Sirohi and the adjoining two districts which have no such service. As India's #1 energy company we believe it is our responsibility to help states that are bereft of health services.

Shri Shrikant Madhav Vaidya, Chairman,
Indian Oil Corporation Limited.
